

# Fast Stock **SOLUTIONS**

## **IDC ASSEMBLY**

Fast turnaround IDC cable assemblies from Toby's stocked range of IDC cables and connectors. Available to buy online with no or low MOQ.

- 2.54mm, 2mm, 1.27mm and 1.27mm X 2.54mm cross pitch
- Standard IDC Plug, socket, transition and daisy chain
- D-Type IDC, Plug, socket, transition and daisy chain
- In-house presses and test tooling
- 100% or batch electrical testing
- 35+ years of IDC assembly experience

## **WIRE ASSEMBLY**

Bespoke wire assemblies from Toby's own Valcon wire-to-board series and selected Samtec discrete wire range. Contact Toby for a quick turn stock solution today.

- Ferrules, disconnects and terminal assemblies
- Discrete wire, crimp only or stripped only options
- UL1007, UL1015, UL1061 Wire
- In-house crimp application, pull-tested to BS EN 60352-2 standard

## **CUT-TO-SIZE**

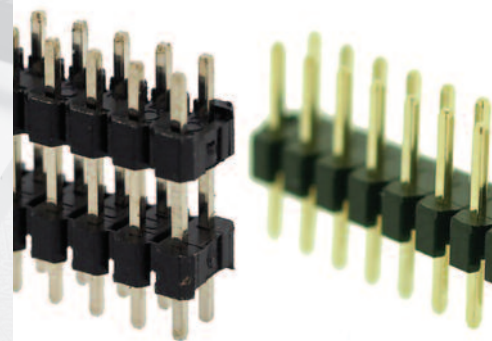

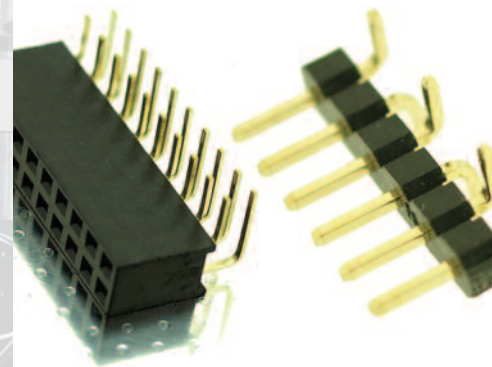

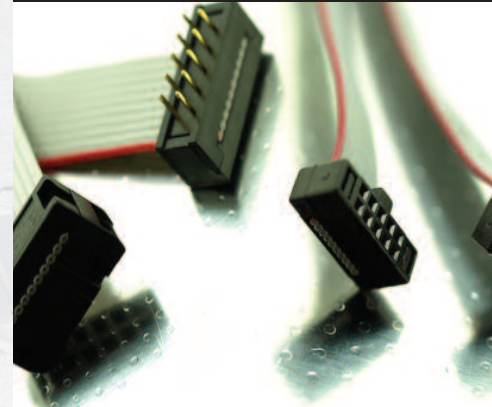

Toby can cut-to-size almost all standard pitch headers and sockets from stock. Using our own cutting machinery, tooling and extensive experience, Toby can very quickly turn a zero-stock situation into a next day delivery order.

- Valcon and Samtec header and socket ranges cut-to-size
- Vertical, Right Angle, Through Hole or SMT
- Stocked headers and sockets in 2.54mm and 2mm pitch
- Stocked PCB Test points and IC strips cut-to-size
- Pin pulling and Key plugging for void positions plus custom options available

## **MODIFIED BOARD STACKERS**

Toby can meet most board stacking height requirements with our bespoke press tooling. By modifying the body position on base stacking pin headers, Toby can provide a fast stock solution for design engineers and buyers alike.

- Custom stack heights in 2.54mm and 2mm pitch
- Dual row and single row headers plus single or dual body stackers
- Overall pin lengths from 7mm to 36.5mm
- Board Stacking heights from 7.5mm to 36.5mm
