

### 3.96mm Pitch Single Row 5 Amp PCB Headers - Straight PCB Mount with Backwall WH396-xx-S-010 Series

Single row 3.96mm pitch straight PCB mount headers with locking backwall  
Tin plated contacts (1.14mm diameter pins)  
Mates with Valcon WH396-xx-H series housings (& crimps)

**02,03,04,05,06,07,08,09,10,11,  
12,13,14,15,16,17,18,19 & 20**

*Please note - some sizes may be subject to MOQ*

#### Specification:

Insulator Material:	Clear Nylon 66 UL94V-2
Contact Material:	Brass
Contact Plating:	Tin
Pin Type:	1.14mm (0.045") square pin
Current Rating:	5 Amps
Rated Voltage:	250V AC/DC
DWV:	1500V AC for 1 minute
Insulation Resistance:	1000 MΩ min.
Operating Temperature:	-25°C to +85°C
Tolerance:	±0.35mm
